Fort Garry Rotary supports various programs locally and interationally to supplement and improve YOUTH DEVELOPMENT.

Our first project is to support youth services and programming through the Knowles Centre Inc. By supporting at-risk youth we are assisting to help youth to grow and heal; and to gain life skills and employable skills. By investing in the growth of our youth today we are helping them to heal and encourage them to develop into contributing members of society in the future. For more information about Knowles Centre, visit [www.knowlescentre.org](http://www.knowlescentre.org)

Our second project is to support any way we can to help the Bruce Oake Recovery Centre to fruition. For more information, visit [www.brucoakerecoverycentre.ca](http://www.brucoakerecoverycentre.ca)

With over 120 student volunteers, Fort Garry Rotary (FGR) supports local high school students in developing their leadership skills by providing them with a variety of volunteer opportunities on race day.

FGR has created a scholarship for one deserving student at Fort Richmond Collegiate. This student will demonstrate exceptional leadership, development and commitment to his/her community through volunteering activities.

FGR provides funds to sponsor and sends one group of four students and one teacher to attend MUNA, Rotary's Model United Nations Assembly. High school students, with their counselors, take on global citizenship as they model the United Nations Assembly at an event in Winnipeg. The Model United Nations Assembly is a learning simulation on the workings of the United Nations General Assembly in its structure of proceedings. Therefore, debates in MUNA, the committee structure, rules of procedure, and the general decorum of delegates, are designed to approximate the UN General Assembly, conditioned, of course, by local limitations.
